A Letter from the Chairman of the Board

Re: Termination

To: Marina Forero-Ferrandino, Executive Director

Marina, first and foremost on behalf of the South Norwalk Community Center Board of Directors, we would like to thank you for your countless hours of volunteer work over the past year. Your contributions are well noted and we appreciate everything you have given to SoNoCC.

On June 9th, 2014 the Board of Directors had a special meeting to discuss the results of an internal assessment. As you know, we brought in outside consultants to help the board navigate through these turbulent times. As Chair, I would like to apologize for how that meeting ended. I know that the other members of the board share my sentiment. It should have been handled differently and we should have stayed to have a conversation about our intentions. The board spoke to newly appointed Interim- Executive Director, Patrick Ferrandino (your husband) and it was our understanding that he would communicate the boards will to you.

Nevertheless, this letter is to confirm that the Board of Directors unanimously agreed that your services are no longer needed as a volunteer effective immediately. Please hand in all South Norwalk Community Center property to our Interim-Executive Director or our Vice Chairman, Edwin Camacho.

Sincerely,

A handwritten signature in cursive script, appearing to read "Warren A. Peña".

Warren A. Peña, Chairman
