

**Victor Black**

**P-TECH High School Principal**

Dr. Victor Black will be joining our leadership team as Principal of P-Tech High School. Dr. Black was the Executive Director of Secondary Education & Magnet Schools for Bridgeport Public Schools. Prior to his central office role in Bridgeport, he was a principal for 7 years at the high school level, successfully collaborating with his team to establish partnerships with universities and businesses to deliver quality learning experiences for his students producing 94% graduation rates at his school in this urban center. He also served as an Assistant Principal in that district.

At Norwalk Public Schools, Victor held the roles of Science and Computer Science Teacher, Assistant Principal, and Instructional Technology Staff Developer, returning to us with over 15 years of successful leadership experience in the K-12 public school education space. In addition to his aspiration to be a continuous learner of innovative instructional practices, he became recently certified in Project Based Learning in May 2022, via Magnify Learning, an area he has delivered professional development to his staff and colleagues. He has also been an Adjunct Professor for Columbia University Teachers College Summer Principals Academy.

Dr. Black holds a Bachelor of Science in Biology with a minor in Education from the University of Bridgeport, a Master's degree in Computer Science & Information Technology from Sacred Heart University, and earned his Doctorate Degree from the University of Bridgeport while a teacher at West Rocks Middle School. He also completed his Superintendent Certification Program at Sacred Heart University. He holds CT State Department of Education Certification endorsements #030 Biology, #092 Intermediate Administration, and #093 Superintendent of Schools.
